WORK ACTION – SHERIFF'S DEPARTMENT (CENTRAL JAIL)

The Sheriff's Department reported last night that the Men's Central Jail (MJC) early morning shift employees staged a work slowdown, delaying the transfer of inmates from the facility to Inmate Reception Center (IRC) for transportation to court. The movement of the inmates from the facility to the IRC Court-line was delayed about one hour and forty-five minutes. The slowdown affected the transfer of inmates from every section of the jail except the housing area. This work slowdown also impacted the distribution of medications to inmates.

The IRC Watch Commander reported that only about 120 of 935 inmates arrived on time. Additional Court Services Transportation staff was required for the afternoon transport of inmates to courts because of the late arrival of inmates from MCJ to IRC.

We will continue to keep your Board apprised of further work action activity
